

# HOME collective

Released their debut album "HOME" 29th January 2021 on HOOB records, digitally, on vinyl and CD.

The eight-track record features the six core group members as well as guest artists Palestine aka Ledr P, Vanessa Liftig, Tora Runevad Kjellmer, Jonas Liljeberg, Karolina Almgren and Per Brehmer.

Jazz is mixed with hiphop and fusion and comes out as an original take on the neosoul format. The music has been well received by audiences and reviewers and has been played in Swedish and French radio.

## SAID ABOUT "HOME"

***"Convincing on all levels [...] there's a flow and a complexity to the music, making it multifaceted" -Dan Backman, SvD***

***"The ingenious pianist Fabian Kallerdahl is a delight to the ear and the biggest names of electric guitar comes to mind listening to Alexander Grönlund's playing" -Björn Stefanson, Värmlands Folkblad***

***"Recognize It should make a global hit. [...] One gets pleasantly addicted to this broad-minded form of neosoul. Extra credits to the amazing sound image." -Mats Hallberg, Orkesterjournalen***

***"... a rediscovery of the very term 'fusion', more spontaneous and non-academic. But also without apologizing for sharp technique in the shifting between flow and intensity" -Johannes Cornell, DN***
